ABOUT Us

OKSAN is one of the largest aftermarket manufacturer for engine and shock absorber mountings, steering wheel and axle bellows, wishbone arm and link stabilizer bushes, ball joint dust covers, and another industrial rubber parts of passenger and light commercial vehicles in its own sector. Oksan, since the day the production started in 1980, as a result of targeting market and customer desires, we could be able to reach the highest level of quality in the entire company. All the necessary investments to maintain and complete activities have been realized without cease. In 2004, as a natural result of all these progresses, ISO 9001 Quality Management System certificate could have been awarded until today and in October 2008 the re-certification was upgraded to ISO 9001:2008 revision.
